

KIDS' CO-OPERATIVE CAMBRIDGE

JOB DESCRIPTIONS

BOARD MEMBER RESPONSIBILITIES

All of the members who hold Board positions:

Attend the Board meetings, (which occur every 6-8 weeks):

- These historically have been on weekday nights, lasting approximately 2 hours.
- As at the General Meetings, the President chairs while board members alternate taking minutes.
- To store minutes in the Google Group folder named Board Meetings:
Minutes, choose "Create Text File" from the options in the upper-right-hand corner, name the file by the date of the meeting – YYYY-MM-D, paste your minutes into the big box labeled File Content, and click "Create File". Then, send an email to the Yahoo Group, pasting the minutes directly into that too.
- Minutes are sent out within a week of the Board meeting – preferably within 24 hours.

Represent the other Caregivers at those Board meetings:

- Ask workday colleagues if there are any issues they want discussed.
- Represent workday colleagues in the case of a vote.

Fill in as authority on Co-op workdays:

- Coordinate absences for that work day (ie, give the OK for swaps after double checking child/infant/caregiver numbers)
- Serve as the go-to for questions when needed during the workday.

- Explain Co-op job duties and policies when necessary.
- Steer that workday's routine and Caregiver approaches to be as consistent with the other workdays as possible so that children have as consistent an environment as possible.
- Ensure that at least one Caregiver each workday has a cell phone in case of an emergency evacuation and that the cell phone has all members' numbers input into it.
- Be CPR-certified (Co-op will provide training opportunities once per semester).
- Send an email to Advocacy after every workday reporting any physical behaviors that occurred between children – any pushing, biting, hitting, or other inappropriate behavior -- as well as any behavior that resulted in social exclusion of others or any withdrawn behavior or lack of engagement for extended periods of time.

Report any safety incidents:

- Make sure the parents of all the involved children hear about the incident at pick-up time.
- Report the circumstances and concerned individuals in an email to Advocacy later that day.

Keep the Treasurer posted about any fees due.

Facilitate discussions between “escorting” parents and Caregivers so the parents are again able to drop off:

- Sometimes, Caregivers may need some extra help learning how to care for a particular child, particularly in a group setting. In these cases, parents may be asked by a particular day's Caregivers to escort their child for a time rather than drop-off. During that escort time, that day's Caregivers need to learn from the parent so that, hopefully, drop-offs may resume. The Board member for that day should facilitate the needed discussions between the parent and the Caregivers.

That day's Board member is also the one to notify the parent when the escort is no longer needed.

Run Evacuation Drills on Co-op workday(s) on occasion, throughout year:

- Check with Health/Safety as to proper exits and procedures.
- Coordinate with Health / Safety to ensure that workday colleagues (and self) have read the Evacuation Plan (posted on the bulletin board as well as available on the Google Group site).
- Coordinate with Health / Safety to choose the day and time to run the evacuation drill and notify the other Caregivers.
- Lead the drill with Health / Safety's guidance.

Notify Caregivers and Parents when Co-op is unexpectedly closed:

- If weather conditions merit a possible closing, check the Cambridge Public Schools 24-hour hotline: 617-349-6513, and the Somerville public schools
- If Co-op needs to be closed due to weather, immediately contact all families to pick up children and stay at Co-op until the last child is picked up.

Perks:

Serving on the Board is more of a responsibility and time-taker than the other Co-op jobs, and so Board members receive the following small perks:

- Co-op pays 100% of the Board members' CPR class fee.
- Board members attend Set-Up Day and the last Cleaning Night only. Mid-year Cleaning Nights do not have to be attended.
- Board members have first choice as to their child's drop-off schedule (although their workday choice is more constrained).
- At one Board Meeting, Co-op buys beverages.

BOARD: ADVOCACY

Tenure: July – June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 2-3

BOARD – Advocacy – Primary advocate for children's welfare. Sends out Parent Survey and compiles information. Receives data about any daily issues among children. Looks for patterns to help us minimize behavioral issues. Schedules Caregiver Trainings to provide tips about managing groups of children. Maintains the Caregiver Guidelines document. Maintains and updates throughout the year a potty training list.

In August Advocacy sends to all members via email the Parent Survey. This survey needs to be completed by families about their children and returned to Advocacy before Set-Up Day. Advocacy then posts the survey information in the Advocacy folder and asks Caregivers to read before the beginning of the school year the surveys of all the children they are responsible for on their work day. As new members join mid-year, Advocacy makes sure they fill out the survey, files the survey, and informs Caregivers when the survey for the new child is ready to read.

Advocacy's main focus is on interpersonal interactions among children. Advocacy receives a daily email from the Board member who worked that day. The Board member reports any physical behaviors that occurred between children – any pushing, biting, hitting, or other inappropriate behavior -- as well as any behavior that resulted in social exclusion of others or any withdrawn behavior or lack of engagement for extended periods of time.

Advocacy is responsible for piecing together the data from the separate days to see if there is any pattern of behavior. Perhaps Caregivers need to shorten a particular transition time or come up with more engaging activities during any wait times. Perhaps two children need to be separated. Perhaps one child needs extra help understanding how to behave with peers. Perhaps a child is having a difficult time engaging with adults or peers. Perhaps Caregivers need extra help from a parent to understand how to accommodate a certain child's energy. We want to be proactive at Co-op and “set children up to succeed” as much as possible.

Advocacy is required to update all of coop bi-weekly on any recent unwanted behaviors from the children, any child that needs additional support and or sharing specific ways to help a child that's exhibiting challenging behaviors at coop (e.g. if one child is refusing diaper changes from every caregiver, but one adult figures out a trick, tell everyone what's working!). These reports are for transparency as well as brainstorming ways for caregivers to keep coop running smoothly and all the children safe.

Once Advocacy notices a pattern developing, Advocacy needs to contact the parent or parents involved to begin brainstorming how to address the situation. Advocacy does not work alone. In addition to working directly with the families involved, Advocacy should check-in with President and/or the Board to brainstorm ways to address the situation.

When trying to address a behavioral situation, usually there is a period in which data is shared. Family, Advocacy, Caregivers, and President can share their observations. Perhaps more observation is required before moving forward. Next, a plan of action is created. This plan may include language Caregivers can use with the child so that everyone is on the same page, suggestions of activities for the child to engage in that can help reduce the behavior, a list of actions Caregivers will take when the child engages in a particular behavior, etc. Each plan that Advocacy leads in creating will be unique for that child and the situation. While everyone at Co-op may not be aware of a plan being put in place, family members always need to agree to the plan first, and President and/or the Board should also be part of the conversation when devising the plan. A plan may be used once or twice, until a behavior stops; it may become practice for the rest of the year; it may last for one or two weeks and then be reevaluated. The length of a plan depends on each unique situation.

If a child is asked to leave Co-op because s/he had a physical behavior toward other children three times in a single day, Advocacy should follow up with the family before the child's next Co-op day to discuss what happened and to do any necessary problem solving.

With regard to repeated physical behaviors, specifically, our Policy and Procedure document states- If Advocacy sees that on two days within a week, or two specific weekdays in a row (for instance, Wednesday and Wednesday), one child was involved in physical altercations, Advocacy will notify the parent of the child that there may be a pattern we should try to figure out and will then also notify the Caregivers for the next day the child attends so that they can be prepared for more of a proactive approach.

If there is a third altercation despite the heightened awareness on the part of the Caregivers, then the parent may be asked to accompany the child for a time, to help the Caregivers understand what's going on, to help the Caregivers and the child work together, and to prevent further physical altercations via the parent's more one-on-one attention. Advocacy will send a Co-op-wide email to let the group know what's going on, to allow for a collaborative, brainstorming approach so as to help avoid future altercations, and to help Caregivers know about other days' concerns in case a Caregiver works a different day than usual due to a swap.

Once the board members agree (in consultation with then two drop-off days' Caregivers) that "guardian angel"ship is no longer necessary to prevent physical altercations, the guardian angelship is ended. On the other hand, if, after two weeks of escort, the child is still involved in physical altercations despite the parent's escort, Advocacy may propose another approach (for instance, a schedule change so a particular dynamic is avoided). If Advocacy's approach is not accepted by the involved parties, or if two additional weeks pass without improvement despite the strategies tried, then a family may be asked to leave Co-op.

Advocacy provides opportunities for Caregiver Training evenings to support Caregivers in their management of groups of children, particularly as some children are older than their own and some others may be quite different from their own. In the past, Advocacy has polled members to see what topics are of interest to them. There is money in the budget to pay a presenter. Advocacy schedules one Caregiver Training early in each semester.

Advocacy reviews the Caregiver Guidelines before each semester and after any Caregiver Trainings to make sure they continue to reflect the approaches used to meet the needs of all children at Co-op.

Advocacy acts as advocate and mediator for adult members when issues arise between Caregivers or parents.

Advocacy compiles information throughout the year about which children are potty training and maintains an updated poster on the Bulletin Board.

Advocacy keeps track of late pick-ups. Board members will notify Advocacy of any late pickups, and Advocacy will keep track of late pickups. If a parent arrives after 11:55 a.m. three times, Advocacy will advise the parent that if s/he is late again, a \$15 late pick-up fee will be charged. If the parent continues to arrive late three more times,

incurring a \$15 late pick-up fee each time, the Board member will bring the issue to the Board for further discussion and action.

Schedule

July	•	
August	•	Email Parent Survey to members and compile information.
	•	Review Caregiver Guidelines and update.
September	•	Set up Caregiver Training for October or November
October	•	Provide Caregiver Training evening session.
	•	Update Caregiver Guidelines doc as appropriate.
November	•	If there was no Caregiver Training in October, provide Caregiver
		Training evening session.
	•	Update Caregiver Guidelines doc as appropriate.
December	•	
January	•	Set up Caregiver Training for March.
	•	Review Caregiver Guidelines and update.
February	•	
March	•	Provide Caregiver Training evening session.
	•	Update Caregiver Guidelines doc as appropriate.
April	•	
May	•	
June	•	

CLASSROOM MANAGER

Tenure: July - June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 1-2

Classroom Manager – Arranges classroom space in terms of displaying children's artwork, toys, and thematic educational materials to best effect. Organizes the craft materials and other supplies, and maintains this organization throughout the year. Sets up and maintains Co-op bulletin board, printing out new information as needed (forms and current Emergency Contact List). Creates and updates cubbie labels. Rotates toys and equipment between storage area and active areas as appropriate.

The Classroom Manager ensures the classroom space is organized and stays organized. All bins in the classroom space should be labeled. The Classroom Manager also organizes the storage area and cubbie area and keeps them organized throughout the year. The arts and crafts shelves have become disorganized quickly in the past. The Classroom Manager can enlist the help of all Co-op members to maintain the organization by reminding members to read labels and return items to their appropriate spots. The Classroom Manager empties the lost and found bin at the end of each semester.

The Classroom Manager evaluates the toys and supplies that Co-op has for classroom play. The Classroom Manager also ensures that all toys are marked "Co-op" and that all toy storage bins are labeled appropriately all year long. Some portion of toys stay in storage, and the Classroom Manager chooses which toys are stored and periodically rotates the selection to 'refresh' the offerings for the children. If any become broken or too old, the Classroom Manager either repairs it or culls it out of the collection, possibly requesting a replacement via the Curriculum Manager.

Once a week on the Classroom Manager's work day, the drying rack will be cleared and cleaned. This means that any arts and crafts left on the rack will be recycled or thrown away.

The Classroom Manager makes Playdough at the beginning of the year and replaces the playdough about once a month or after a bout of coop illness. We recommend this recipe from instructables:

The Classroom Manager, in consultation with the curriculum managers, sets up the sensory table with a new medium for each incoming theme. If using sand, remind caregivers to not mix water with sand in sand table as this encourages the growth of mold.

The Classroom Manager is responsible for ensuring that balls are properly inflated throughout the year.

The Classroom Manager maintains the Co-op Bulletin Board. The Classroom Manager should check with the people responsible for maintaining the various items (for example, Evacuation Plan – Health / Safety) to make sure the items are posted and updated.

Items that should be on the Bulletin Board:

- Weekly Schedule (Webmaster)
- Children By Age (Membership)
- Evacuation Plan (Health / Safety)
- Allergy List (Health / Safety)
- Potty Training List (Advocacy)
- Blank Applications (Recruiter)
- Emergency Contact List (Health / Safety)
- Request-for-Purchase Forms (Classroom Manager)

Envelopes that Classroom Manager makes and posts on the Bulletin Board:

- Envelope for Treasurer: Checks and Receipts
- Envelope for Blank Application Forms
- Envelope for Mail

HOMEMADE PLAYDOUGH RECIPE

(This recipe is safe to eat, although it is not recommended!)

Basic ingredient ratios:

2 cups flour

2 cups warm water

1 cup salt

2 Tablespoons vegetable oil

1 Tablespoon cream of tartar

Optional:

- food coloring
- scented oils

Mix all of the “basic” ingredients together in a saucepan and stir frequently over low heat. The dough will begin to thicken until it resembles mashed potatoes. This will take about 10 minutes or so. When the dough pulls away from the sides and clumps in the center remove the pan from heat and allow the dough to cool enough to handle.

IMPORTANT NOTE: if your playdough is still sticky, you simply need to cook it longer! Keep stirring and cooking until the dough is dry and feels like playdough.

Turn the dough out onto a clean counter or silicone mat, and knead vigorously until it becomes silky-smooth. Divide the dough into balls for coloring.

Make a divot in the center of the ball, and drop some food coloring in. Fold the dough over, working the food color through the body of the playdough, trying to keep the raw dye away from your hands and the counter. You could use gloves or plastic wrap at this stage to keep your hands clean - only the concentrated dye will color your skin, so as soon as it's worked in bare hands are fine. Work the dye through, adding more as necessary to achieve your chosen color.

Repeat the steps for food coloring if adding scented oils.

Store your playdough in an air-tight container.

Schedule

July	•	
August	•	Ask members to provide a photo of their child(ren) prior to the August General Meeting.
	•	Print all bulletin board items for posting on or before set up day
September	At Set-Up Day, focus on putting up:	
	•	cubbie labels (use Co-op laminator)
	•	The photo check-in board(s)
	•	the attendance whiteboard with working markers
	•	the Bulletin Board (especially important, a current
		Emergency Contact List)
	-	Then focus on organizing and labeling all Co-op toy storage bins.
	-	Inspect bins- replace those that are falling apart and re-label.
	-	Also, old sand should be discarded, the sand table washed with soap
		and water and new sand put in)
October	•	General maintenance of bulletin board, play space and storage room
November	•	General maintenance
December	•	Rotate free play toys.
January	•	Empty Lost and Found Bin
February	•	Discard old sand, re-clean sand table with soap and water and put in new sand
March	•	Rotate free play toys.
April	•	General maintenance of bulletin board, play space and storage room
May	•	General maintenance
June	•	Empty Lost and Found Bin

Special Project for 2018-2019 school year

- Make an updated inventory of the co-op's toys and bins for use on cleaning nights and for general tracking of our supplies. This need not be massively detailed but the current list is very out of date, with many toys on it we no longer have and no entries for our current toys. Check with cleaning coordinator for the current list. Please have this done by November's cleaning night.

CLEANING COORDINATOR

Tenure: July - June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 1-4

Cleaning Coordinator – Communicates cleaning guidelines to members via signs and training. Washes various items outside the daily Caregiver purview. Maintains the Brita filters. Coordinates Cleaning Nights. Maintains the proper functioning of vacuums. Coordinates carpet shampooing once a year.

The Cleaning Coordinator trains all members on cleaning guidelines at the August General Meeting. The Cleaning Coordinator ensures that cleaning posters are displayed in appropriate places throughout the Co-op year. The Cleaning Coordinator maintains Brita filters according to the Brita filter schedule. The Cleaning Coordinator rotates new sponges into circulation and old sponges out of circulation on a monthly basis. During the month sponges are in circulation, the Cleaning Coordinator soaks them in peroxide on a weekly basis. The Cleaning Coordinator works to remove paint stains from the rug. The Cleaning Coordinator also keeps an inventory of cleaning supplies (disinfectants, all purpose cleaners, carpet cleaner fluid) and purchases any cleaning items which need to be restocked (well in advance of actually running out of the product). The Cleaning Coordinator receives a budget from the Board at the beginning of the year within which to work, and s/he can always communicate with the Board if that budget seems insufficient. Cleaning Coordinator shall submit purchases for reimbursement by filling out the reimbursement form with attached receipts (located on the google drive) to the treasurer on a bi-weekly basis.

The Cleaning Coordinator purchases and maintains bar towels for use in hand drying at the co-op. This includes regular laundering as applicable and replacement when needed.

The Cleaning Coordinator checks the Co-op vacuums on a regular basis to make sure full dirt bags are disposed of and replaced and dirt cups are emptied. The Cleaning Coordinator also washes vacuum filters and troubleshoots any vacuum issues (replaces broken belts on the Co-op vacuum, replaces lost filters on the church vacuum, etc.).

At the beginning of the Spring semester, the Cleaning Coordinator contracts with a professional carpet cleaning company to shampoo the rug in the church basement including the area rugs.

In addition to Set-Up Day and Final Cleaning Night, there are three Clean-Up Nights throughout the year. The Cleaning Coordinator:

- Sends a Clean-Up Night email to the group one week in advance of Cleaning Night.
- Prepares for each Clean-Up Night by printing out a list of tasks to accomplish, a list of bins members need to bring home to clean, and a list of member names for attendance purposes.
- Takes attendance and records attendance in the Google Group Member Administration.
- Ensures that all washed bins of toys are taken and returned on time and labels are still in place.
- From our Policy and Procedure document: “Bins should be taken home to wash on your last Co-op day the week before Cleaning Night and returned to Co-op by Cleaning Night OR by your first Co-op day the week of Cleaning Night. If you do not take and return the bins by one week after Cleaning Night, you will be charged \$5 a day until the bins are returned. Cleaning Coordinator is responsible for monitoring the return of all bins and informing members and Treasurer of any fines.
- Although members can skip one of the mid-year clean-up nights without incurring a fine, encourage all members to attend.

Schedule

August	• At General Meeting, trains all members on cleaning guidelines
--------	---

	● Purchases necessary cleaning supplies
September	● Organizes cleaning portion of Set-Up Day
October	●
November	● Fall Clean-Up Night
December	●
January	● Winter Clean-Up Night
February	● Arrange carpet cleaning
March	● Spring Clean-Up Night
April	●
May	●
June	● End-of-Year Clean-Up Night

Curriculum Manager I and II: Overview of Both Positions:

The Curriculum Managers are responsible for guiding Co-op's curriculum via the themes for the Caregivers to explore with the children. The Caregivers incorporate these themes into the table-top activities, free play, Circle Time stories and songs, group activities, and the craft projects. Each theme lasts three weeks. The Curriculum Managers set list of themes for the year, and Webmaster takes care of adding the themes to the Google Group Calendar. The Curriculum Managers may edit the themes list as the year progresses based on member feedback and his/her own ideas.

No later than the Friday before each new theme begins, the Curriculum Managers send a group email to notify the group of the new theme. This email includes a list of concepts related to the theme, craft ideas that work with that theme, and a list of book titles. It also includes theme-oriented songs and games that can be used during Circle Time and Group Activity Time as well as table top ideas for free play. Ideally, the Curriculum Managers are able to find all the information needed for the theme already in his/her Google Group folder.

The Curriculum Managers retrieve library books to support the theme. There is a special box that holds the theme-related Co-op books that is kept in easy access in the closet. The Curriculum Managers can bring those books in at the start of each new theme. They can ask for help from other Co-op members to return the books used by the old theme. Co-op also has many books of its own and the Curriculum Managers check these for age-appropriateness and for damage and repair them as possible. Within the budget, the Curriculum Managers update the collection as needed.

Craft Supplies: Some themes may inspire the Curriculum Managers to buy items specifically for that theme's craft. In addition to checking for theme specific supplies for a given theme, general high use art supplies (ie, glue sticks, markers...) should be checked every month to note which need to be restocked. The Curriculum Managers are responsible for ordering the needed craft supplies, but it is Classroom Manager who will organize them in the classroom and kitchen storage areas.

Other members are able to communicate requests for craft supplies toys, or curriculum materials via email. The Curriculum Managers are responsible for prioritizing the requests based on the Curriculum Managers' budget and discretion. Receipts for all purchases must be submitted to the Treasurer for reimbursement. The Curriculum Managers are also in charge of Co-op's Wish List.

Curriculum Manager I – Development

Tenure: July - June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 1-2

CM1 sets the calendar of themes for the year and works with the webmaster to ensure they are posted on the shared google calendar. CM1 discusses each upcoming theme with CM2 one week before start of theme. The purpose of this meeting is to work out what supplies need to be obtained, purchased or set aside for the activities in the theme. CM1 creates, updates and refreshes the theme documents and emails them to the entire co-op membership in advance of the new theme starting. CM1 posts a printout the latest theme in the co-op space for easy referencing. CM1 shares specific and age appropriate craft ideas, group activity/gross motor activities and music activities for each theme. CM1 chooses sensory bin materials appropriate for the theme. CM1 gives short tutorials on curriculum practice during general meetings. CM1 suggests new toys for the co-op that will help enrich the curriculum and maintains a wishlist. CM1 acts as backup on CM2's responsibilities and the two positions may choose to share jobs/assignments as needed through the year.

Curriculum Manager II - Materials

Tenure: July - June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 1-2

CM2 discusses upcoming themes one week before start of theme with CM1 in order to sort out what supplies need to be obtained, purchased or set aside for the activities in the theme. CM2 obtains library books specific to each theme. CM2 creates and maintains an ongoing booklist with notations as to age-level. CM2 collects any specific items needed for the theme activities and puts them in a “theme box” in the closet for easy access. CM2 consults with classroom manager about the sensory bin contents for each new theme. sets up the sensory bin(s) for each new theme. CM2 puts items from old themes back where they belong, with the help of the classroom manager as needed. CM2 purchases theme specific supplies and ensures that these items make it into the theme box when purchaser brings them in. CM2 maintains Circle Time, Group Activity Group Activity and Music Time curriculum boxes, updating “cheat sheets” as necessary. CM2 purchases general art supplies on an as needed basis. CM2 receives a budget from the Board at the beginning of the year within which to work, and s/he can always communicate with the Board if that budget seems insufficient. CM2 acts as backup on CM1’s responsibilities and the two positions may choose to share jobs/assignments as needed through the year.

CM2 shall submit purchases for reimbursement by filling out the reimbursement form with attached receipts (located on the google drive) to the treasurer on a bi-weekly basis.

Schedule

July	●
August	● Review Craft supplies and place orders for first semester.
September	● Begin sending out emails for every new theme to announce the theme and provide ideas, purchase supplies for each theme. .
October	●
November	●
December	●
January	● Order crafts for the second semester
February	●
March	●
April	●
May	●
June	●

Outstanding Projects

- Continue to develop Group / Gross Motor Activity ideas and sensory experiences based on the developmental needs of 2, 3, and 4 years olds.

EVENTS COORDINATOR

Tenure: July – June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 1-4

Events Coordinator – Organizes member events, Caregivers' Nights Out, and any outside social events. Arranges Meal-Train for any members who have a new baby.

The Events Coordinator organizes occasions outside of Co-op for families to get acquainted and socialize.

- Beginning of the Year and End of the Year Potlucks: Potlucks have traditionally been at Kenney Park in Somerville .

The Events Coordinator organizes two kids' parties:

- February Birthday Week: Everyone's birthday is celebrated on this week, which can be a "theme" arranged in coordination with the curriculum managers. There should be birthday related activities, decorations and such.
- June Good-bye Party: This party is held on or around the last day of Co-op. It works well as a potluck at Kenny park immediately after co-op ends on one of the days in the last week of co-op. However, a different format can be used if desired. All Co-op members are invited.

The Events Coordinator co-organizes with PR/Marketing the Fall and Winter Open Houses. The Fall Open House is a Halloween costume party. The Winter Open House can occur during February or April break, or on another agreed upon date around this time.

The Events Coordinator schedules 2 - 4 “Caregiver Nights Out” throughout the year. In the past, nights out have included visits to a pub, dinner at a member’s house, a potluck taco dinner. Partners and spouses are always welcome. Turnout to these events can be small (up to 8 people), as people find it hard to “get away.” Try to schedule them away from any General Meetings, Cleaning Nights, and Board Meetings.

Whenever a member has a baby or some other relevant occasion occurs, the Events Coordinator arranges a series of Meal-Train for that member by asking the group for volunteers to make and deliver the food.

Schedule

August	● Beginning of the Year Potluck
September	● Caregivers' Night Out
October	● Fall Open House (Halloween Party)
November	● Caregivers' Night Out
December	
January	●
February	● Co-op Birthday Party
March	● Caregiver's Night Out
April	Winter Open House
May	● Caregivers' Night Out
June	● Good-Bye Party
	● End of the Year Potluck

HEALTH / SAFETY

Tenure: July – June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 1-4

Health/Safety - Oversees the physical safety of the space. Acts as the facility manager. Arranges CPR classes. Maintains First Aid Kit. Manages Medical Information and Emergency Contact forms. Maintains Allergy List. Coordinates safety drills.

Health / Safety ensures the Co-op space (classroom, kitchen, storage room, bathroom, front stairs, and kitchen stairs) is physically safe for children throughout the year (e.g. install and maintain safety gates, electrical plug covers, and other childproofing devices). Health/Safety acts as Facility Manager, leading the effort to address facility

issues such as clogged sinks, overflowing toilets, broken vacuum cleaner, broken coat hooks, broken light bulbs, etc. Health/Safety makes sure that kitchen and front door exits are clear at all times. Strollers cannot be parked on the stairs. If any exit is blocked by snow, Health/Safety will contact the Church Administrator immediately so that the situation can be resolved.

Health/Safety ensures a substantial number of members are CPR-certified, documenting the number in the database under Member Administration in the Google Group, and arranging additional classes throughout the year based on member turnover. Health / Safety posts CPR and First Aid posters on Bulletin Board. As a community service, Health / Safety can invite people from the community to sign up for the CPR class (advertise on Somerville Moms group, etc.).

Health/Safety maintains the First Aid Kit. At the beginning of each semester Health/Safety throws away any expired items and replaces them. Health/Safety does a monthly inventory of the First Aid Kit to make sure there is a satisfactory supply of items.

Health/Safety manages the Medical Information forms and the Emergency Contact forms. Membership gives Health/Safety completed forms. After Set-Up Day, Health/Safety checks the Medical Information forms and the Emergency Contact forms to make sure they've all been turned in and information is complete. All forms must be turned in by the first day a child attends Co-op, otherwise the child may not attend Co-op. Forms are kept in a binder in the Emergency Grab-Bag located in the coat hook area. Health/Safety ensures the complete and updated binder is in the Emergency Grab-Bag at all times.

Health/Safety maintains the Allergy List, updating it when necessary. A current Allergy List should be posted on the Bulletin Board and on the refrigerator in the kitchen.

Health/Safety makes sure the Evacuation Plan is current and accurate and posted on the Bulletin Board. At the August General Meeting, Health/Safety trains all Caregivers on the Evacuation Plan. Health/Safety ensures that all Caregivers have read and initialed the Evacuation Plan (if needed, recruit other Board members to help reach everyone) before the first day of Co-op. If there are new members joining mid-year or at the beginning of Spring semester, Health/Safety coordinates with Membership to ensure that they have been trained and have read and initialed the Evacuation Plan. Health/Safety conducts in-class safety drills at the beginning of each semester,

ensuring that each Caregiver participates in at least two safety drills within the first two months of each semester.

Health/Safety works with the classroom manager throughout the year checking and repairing co-op furniture and toys as needed.

Schedule

July	<ul style="list-style-type: none"> •
August	<ul style="list-style-type: none"> • Provide Safety Drill training to all members during August General Meeting. • Schedule a CPR class for early October. Send an email announcement to the group. Add that event to the Google Group Calendar, or have the Webmaster add it.
September	<ul style="list-style-type: none"> • During Set-Up Day: Find and post the CPR/First Aid posters. Ensure that Medical Information and Emergency Contact forms are put in Emergency Grab-Bag in coat hook area. Post the Allergies list on the Bulletin Board and refrigerator in kitchen. Post Evacuation Plan documents on the Bulletin Board. • After Set-Up Day: Check the Medical Information and Emergency Contact forms to make sure they've all been completed and turned in. • Ensure that all Caregivers have read and initialed the Evacuation Plan (if needed, recruit other Board members to help reach everyone). • Schedule Safety Drills during a 4 week period within the first two months of school Mentor other Board members as necessary.
October	<ul style="list-style-type: none"> • Hold CPR class.
	<ul style="list-style-type: none"> • Update the "Members Administration" database on the Google Group for those who are now certified.
	<ul style="list-style-type: none"> • Finish up Safety Drills.
November	<ul style="list-style-type: none"> •
December	<ul style="list-style-type: none"> •
January	<ul style="list-style-type: none"> • Based on possible member turnover, consider arranging another CPR class. (Check Calendar for best date.)
	<ul style="list-style-type: none"> • Check that the Allergies List is up to date.
February	<ul style="list-style-type: none"> • Before the start of the Spring semester, ensure that all Caregivers have read and initialed the Evacuation Plan (if needed, recruit other Board members to help reach everyone).
	<ul style="list-style-type: none"> • Schedule Safety Drills during a 4 week period within the first two months of school Mentor other Board members as necessary.

March	<ul style="list-style-type: none"> • Finish up Safety Drills.

Outstanding Projects

Create a First Aid Kit Inventory and store it in the Google Group files Health/Safety.
Update first aid kit in the evacuation bag

MEMBERSHIP

Tenure: July – June

Summer Coverage Needed? Yes

Returning Member Needed? Helpful

Approximate Hours per Week: 1-4

Membership – Responsible for training new members about Co-op policies and routines. Provides Welcome e-mail to each new member. Ensures that new members fill out Medical Information and Emergency Contact Forms and read the Evacuation Plan. Maintains lists in the Database. Schedules a “Demo Day” at the beginning of the school year. Shares any Co-op community news with the group (births, members leaving, new members arriving, etc.).

Membership takes care of members as soon as they have joined Co-op.

Welcome Packet

Whenever a new member joins Co-op, Membership:

1. Sends that member a Welcome Packet by email. This packet contains
 - a. Any relevant schedule information (if member is joining mid year there are usually restrictions and/or ideal days for work/drop off. Discuss with president before contacting member.)
 - b. welcome letter
 - c. Medical Information and Emergency Contact form
 - d. Authorization of Photograph Usage form
 - e. Fee and Fee Schedule document
 - f. Typical Day document

- g. Policies and Procedures document
 - h. Job Descriptions document
 - i. Caregiver Guidelines document
 - j. Weekly Schedule (only for members joining after the “New Year Kickoff” meeting)
2. If member is joining mid year, membership Schedules a shadow day for the new member and informs the caregivers that are working on that shadow day.
 3. Contacts Webmaster with the new member’s contact information requesting that webmaster provide appropriate group access, to add the new members schedule information (if applicable) to the calendar, and to add the shadow day to the calendar.
 4. Contacts the president and vice president confirming that the above steps are in place (Pres or VP will then contact the new member about job details)

Orientation

Joining at	Type of Training
Next Year Kick-Off Meeting	<ul style="list-style-type: none"> • New full members are expected to come to Co-op at least once before the end of the school year to shadow a current member • Plus all trainings listed in next row.
Set-Up and Orientation Day	<ul style="list-style-type: none"> • An Orientation Day for all new members will be held the same day as and immediately after Set-Up Day. At this event, Membership will go through the Co-op space, demonstrate the Co-op routines, review the Typical Day document and Evacuation Plan document, and answer any questions. Note: if children will be present, recruit volunteers to watch the children so that parents may focus on the Orientation. • A Demo Day (or two) will be held the very first day(s) of school. The Caregivers working on the Demo Day will be volunteers from previous years. All new members are welcome to come with their children on this day to see Co-op “in action” one more time before their own workday. This day is especially meant to help new members who would otherwise work as a new Caregiver on their child's very first Co-op day – a situation which is hard on both the parent and the child.
Mid-year	<ul style="list-style-type: none"> • The new member shadows once before their first work shift.

Membership “orients” new members no later than their first work day by:

- Collecting the Medical Information form and Emergency Contact form.
- Ensuring that all member information is up-to-date in the drive on child age list, membership contact list and allergies list. A hard copy of these files should also

be posted on the co-op Bulletin Board and the medical form should be placed in the binder.

- Ensuring that each new member understands the Evacuation Plan, Policies and Procedures, and Typical Day documents.
- Answering all member questions (or at least promise to find out the answers!)

Member Services

Membership follows up with new members to see if there are any lingering questions or issues. Membership works with Webmaster to update documentation as necessary.

Exit Interview

If a member leaves mid-year, Membership conducts an exit interview. This exit interview is voluntary and can be done in person or by email or by phone. The interview will be forwarded to the Board for review.

Database Lists and Documents

Membership is responsible for maintaining the Contact Information List, the Age List, and the Past Members List on the Google Drive. Membership can work with Recruiter and Webmaster to keep this information current.

Membership maintains the new year and mid-year Welcome Letter, the Typical Day document, Caregivers' Tasks document, and Exit Interview, updating them to reflect the current year.

List or Document	Google Group
Contact Information List	Database
Age List	Database
Past Member List	Database

Caregivers' Tasks document	Membership
Exit Interview	Membership

Membership Schedule	
Over the Summer	<ul style="list-style-type: none"> ● Recruit Caregivers to run the Demo Day for the first day(s) of school.
September	<ul style="list-style-type: none"> ● Conduct Orientation immediately following Set-Up Day. ● Conduct Demo Day for first day(s) of school.
October	<ul style="list-style-type: none"> ●
November	<ul style="list-style-type: none"> ●
December	<ul style="list-style-type: none"> ●
January	<ul style="list-style-type: none"> ●
February	<ul style="list-style-type: none"> ●
March	<ul style="list-style-type: none"> ●
April	<ul style="list-style-type: none"> ●
May	<ul style="list-style-type: none"> ● Email Welcome Packets to new members coming to Next Year's Kick-Off Meeting
June	<ul style="list-style-type: none"> ● Schedule new member "shadow" visit.

Outstanding Projects

- Create an Orientation Checklist of important information that needs to be covered for Fall Set UP and Orientation Day as well as mid-year Orientations.
- Create a New Member Orientation Binder.

BOARD: PRESIDENT

Tenure: July (with transition starting in June) – June

Summer Coverage Needed? YES

Returning Member Needed? Preferably yes

Approximate Hours per Week: 2-6

BOARD – President – oversee all of Co-op, provide vision, leadership, and strengthen inclusivity. Run each General Meeting and Board Meeting, finalizing the agenda for each and ensuring that all members feel included in the discussion. Set next year's dates for all meetings, events, etc., based on the Co-op Annual Calendar and Cambridge/Somerville Public Schools Calendars. Work with Treasurer to make a

budget. Work with Advocacy to resolve issues as they arise. Maintain and update Policy and Procedure document.

The President of Co-op has the general responsibility to work with and coordinate Co-op members to see that all member questions and concerns are addressed and any issues resolved. For any major issues that Co-op needs to address, the President notes them and assigns people to resolve the matter.

The President chairs the General Meetings and the Board meetings. For each meeting, the President...

- solicits topics for the agenda, compiles the agenda and sends the agenda to members prior to the meeting.
- clarifies any agenda items before the meeting, if necessary.
- hands out hard copies of the agenda to all present at the meeting.
- helps keep the meeting on-topic and on-time.

The President works with Advocacy as issues arise with children or caregivers. While it is Advocacy's job to track information, when an issue arises or an intervention is needed, Advocacy will consult with President. It has worked well to have two people looking at the situation and planning together with the family or families involved the steps to take to move forward.

The President works with Treasurer starting in March to create a budget for the next fiscal year that can then be approved by the Board before the June Kick-Off Meeting.

The President is also responsible for co-signing with the Treasurer on any expense checks greater than \$100 and renegotiates Co-op's lease with Church of the Nazarene.

The President maintains the Policy and Procedure document. After every approved addition or change, the President makes the revisions, dates the new Policy and Procedure document, and saves it to the Google Group, deleting the previous version.

As point-of-contact between Co-op and Church of the Nazarene, the President:

- receives the Co-op door key and the outside door code from Church of the Nazarene.
- renegotiates Co-op's lease with Church of the Nazarene, as needed.
- schedules with Church of the Nazarene all non-regular uses of the facilities (clean-up nights, parties, meetings, etc.) to ensure there is no conflict.

- keeps communication open with Church of the Nazarene regarding all issues of space (e.g., if Co-op space is ever in disorder, toilet issues, heat issues), rent, and cleaning, etc. Often, the Vice-President will be alerted to such issues by Health / Safety who acts as Facility Manager.

When there is inclement weather, the President:

- Cancels Co-op when Cambridge Public Schools OR Somerville Public Schools cancel school or delay opening.
- Contacts all members to alert them of a school cancellation by sending an email to the Google Group.

Schedule

June	<ul style="list-style-type: none"> • Hold New Year Kick-Off Meeting (with prior year's President, if new President coming on board)
July	<ul style="list-style-type: none"> •

December	<ul style="list-style-type: none"> • Hold General Meeting
January	<ul style="list-style-type: none"> •
February	<ul style="list-style-type: none"> • Hold General Meeting; mid-year review, asking members if they feel their job is too time consuming, just right, or very easy.
March	<ul style="list-style-type: none"> • Specify dates for next year's Google Group Calendar
	(based on Co-op Annual Calendar and Cambridge/Somerville Public
	School's Calendar) and provide those dates to
	Webmaster for input into the Google Drive.
	<ul style="list-style-type: none"> • Meet with Treasurer to begin Budget.
April	<ul style="list-style-type: none"> • Hold General Meeting.
May	<ul style="list-style-type: none"> • Ask current members to review their job descriptions and to suggest any additions, deletions, or revisions

June	<ul style="list-style-type: none"> • Hold New Year Kick-Off Meeting (with next year's President, if leaving post). • Have updated Job Descriptions.
	<ul style="list-style-type: none"> • Meet with Church of the Nazarene (with next year's President, if leaving post)

PUBLIC RELATIONS and MARKETING

Tenure: July – June

Summer Coverage Needed? Yes

Returning Member Needed? No

Approximate Hours per Week: 2-3

PR/Marketing *MUST* be a person who is able to post on social media (facebook, etc). Preferably, PR/Marketing should be a person who actively participates in local social media groups.

PR/Marketing – Sets the vision for marketing and recruitment within the community. Ensures consistency of Kids’ Co-op brand and message. Establishes and maintains partnerships with organizations who could 'feed into' Co-op. Works with Events Coordinator on Fall and Winter Open Houses and other special events. Advertises Co-op and Co-op events in the community (library branches, toy stores, playgrounds, play centers, etc.). Creates marketing materials (information sheets, pamphlets, flyers, business cards), and is responsible for distribution of marketing materials. PR/Marketing maintains the co-op facebook page and posts at least bi-weekly. Responsible for checking the church mailbox to see if there is any Co-op mail. Responds to requests for information and funnels prospects to Recruiter. Maintains the Talking Points document.

PR/Marketing brainstorms approaches to get the word to potential new members. PR/Marketing advertises Co-op in Cambridge, Somerville, Medford, and Arlington throughout the year. PR/Marketing maintains the Recruitment Flyer in the PR/Marketing folder on the Google Group site. PR/Marketing may delegate some of the actual flyer posting to various members who are near target sites, but PR/Marketing is still responsible for checking those sites now and then to make sure that the flyers are there. PR/Marketing advertises Co-op in various Facebook groups, Google Groups, Yahoo! Groups such as Somerville Moms, Cambridge Families, Medford Families, and the Arlington Parents listserve. PR/Marketing continues to develop a database of PR/Marketing sources.

PR/Marketing and Events Coordinator organize the Fall and Winter Open Houses. The Fall Open House is the Halloween Costume Party. The Winter Open House can occur during February or April break, or on another agreed upon date around this time. PR/Marketing also organizes Co-op’s participation in the Honk! Parade in October, IFED, or other community events, as agreed upon by co-op members.

PR/Marketing attends two Board Meetings per year to discuss projects and progress.

PR/Marketing checks in with Recruiter before each board meeting about wait list length. If the Wait List is not comfortably populated, PR/Marketing needs to identify how to improve it – is it greater marketing, can something be done to improve the tour/follow-up experience, does sending in the application and fee need to become easier (i.e., people 'mean to' send in the application but never get around to it)?

PR/Marketing maintains the Co-op Tour Talking Points document (stored in Recruiter on the Google Drive) that is used by Recruiter, updating it in September to make sure all information is accurate. This document assists Recruiter in covering all needed points about Co-op and how to market Co-op.

PR/Marketing also maintains the following documents:

Document	In Google Drive
Application	Files/Recruiter
Recruiting Flyer	Files/Recruiter
Business Card files	
Co-op signage files	
List of advertising venues, with directions/contact information	to be created
List of statistics about “where did you hear about Co-op?”, how many people become members after touring, typical turnover, typical number of returning families each fall, etc...	to be created
Tour Talking Points – What Recruiter should cover during tours for prospective families.	Recruiter
What we say during Open Houses.

PURCHASER

Tenure: July – June

Summer Coverage Needed? No

Returning Member Needed? No

Approximate Hours per Week: 1-2

Purchaser needs to be able to have items shipped to their home. Purchaser needs to be able to move a sometimes large load of supplies to co-op (ie, should have a car or ready access to a car). It would be useful if the purchaser had a membership to a

wholesale store (costco or BJ's). For quick, small purchases, it's useful for Purchaser to have an amazon prime account or to be in a position to make on demand relatively quick purchases from local stores. .

Purchaser buys snack, diapering supplies, paper products, and other miscellaneous items and keeps those Co-op supplies labeled and organized. Sends out email notifications when new items are purchased / restocked.

The Purchaser ensures that Co -op is always well-supplied with all the necessities (and never runs out!), and that these supplies are well-organized and well-labeled within the storage area. After every purchase and re-stock of an item, the Purchaser sends a group email to let members know about its arrival and location.

The Purchaser receives a budget from the Board at the beginning of the year within which to work, and s/he can always communicate with the Board if that budget seems insufficient. Other members can communicate requests for items via an email to the Purchaser. The Purchaser is responsible for prioritizing the requests based on the Purchaser's budget and discretion. Receipts for all purchases must be submitted to the Treasurer for reimbursement on a bi-weekly basis. Dry Snacks: The Purchaser buys organic dry snacks for snack time (check the Allergies List on-line or on the Bulletin Board to ensure that all children can enjoy each snack purchased). Protein: Based on allergies children have, a protein list will be created at the August General Meeting. Organic protein options used in past years include cows milk cheese(blocks that need slicing), hummus, almond butter, no sugar added peanut butter, cashew butter, beans. While it may not be necessary to buy everything organic, if the current years membership decides to serve all organic, organic options should be found.

General Supplies: The Purchaser also stocks Co-op with eco -friendly cleaning products (liquid hand soap,, dish detergent), paper products (paper towels, tissues, toilet paper for use if Church supply runs out), diaper changing paraphernalia (non-latex gloves, wipes, size 5 or 6 diapers), drawstring trash bags for kitchen, bathroom, and diaper pail, Brita filters, stickers for hand washing, etc. Cleaning Coordinator is supposed to purchase cleaning supplies (disinfectants and all purpose cleaners) and curriculum managers are supposed to buy arts and crafts supplies. Purchaser may choose to take on any of these items to purchase if s/he feels it is prudent, or s/he may direct requests to the appropriate person (cleaning or curriculum). One-Time Items: In addition to the constant resupplying of supplies as listed above, the Purchaser buys any other items that Co-op decides are needed, such as extra dishes or cups, childproofing supplies, stamps, etc.Care should be taken to spend money wisely. For snacks, especially,

purchases from expensive stores such as Whole foods should be avoided, and purchases should be made in bulk whenever reasonable and feasible.

Purchaser shall submit purchases for reimbursement by filling out the reimbursement form with attached receipts (located on the Google Drive) to the treasurer on a bi-weekly basis.

Schedule

September	<ul style="list-style-type: none"> • Before Set-Up day, purchase a large dry snack inventory - several varieties of crackers and shelf stable items such as peanut butter and canned beans. .
	<ul style="list-style-type: none"> • At Set-Up Day: <ul style="list-style-type: none"> • Check that all cups, plates, and serving utensils are clean, organized, and available.
	<ul style="list-style-type: none"> • Set up the kitchen with snacks, cleaning products, Brita filters.
	<ul style="list-style-type: none"> • Set up the diaper changing table with all needed supplies.
	<ul style="list-style-type: none"> • Set up the storage area for supplies.
	<ul style="list-style-type: none"> • Make sure there are protein options stored in the fridge.
October	•
November	•
December	•

Over the	•
Summer	

Outstanding Projects

- Create a complete list of necessary inventory and location of each item. The Cleaning Coordinator already has an inventory of cleaning supplies, so coordinate with this person.
- Create durable labels for the kitchen storage areas and the cleaning supplies storage area so that all members know where things go.

RECRUITER

Tenure: July - June

Summer Coverage Needed? If possible

Returning Member Needed? No

Approximate Hours per Week: 1-3

Other: It is helpful for this individual to have a flexible daytime schedule, so as to show up on different Co-op days to conduct the tours.

Recruiter – Conducts tours for potential members, meeting prospective members on days on which the Recruiter is not already working. Contacts families as slots open up, and coordinates with Membership and Webmaster to facilitate admission. Maintains waitlist. Communicates with PR/Marketing about the Waitlist.

Conducting Tours for Potential Members

When potential families inquire about Co-op, the Recruiter talks with them and then hopefully schedules a time for each family to come **to meet the Recruiter** for a tour of Co-op. Recruiter then informs the group via email (names and time). The Recruiter also needs to add this visitor as an event on the Calendar (or ask the Webmaster to do so). Recruiter can set the schedule for giving tours (e.g. every Tuesday or twice a month or as tours are needed, etc.). Tours are conducted from 9:00 a.m. to 9:45 a.m.

On the tour day, Recruiter needs to come to Co-op to conduct the tour. If possible, this day shouldn't be Recruiter's usual work day, as Recruiter needs to be able to focus exclusively on the visiting family. Recruiter should use the Co-op Talking Points document during the tour. Recruiter checks-in with PR/Marketing to verify the Co-op Tour Talking Points document (stored in Files/Recruiter) has been updated in

September so that all information is accurate. This document assists Recruiter in covering all needed points about Co-op and how to market Co-op.

At the end of each tour, hopefully each family will hand in an application with fee. Otherwise, Recruiter should provide them an application to take home. Recruiter should communicate with the Caregivers on the tour day about inviting families to stay after the tour or not.

As the Recruiter receives each application (w/ fee), the Recruiter...

- passes the accompanying application fee to the Treasurer
- Add the family's information to the Waiting List (stored as a Google sheet).
- informs the family as to pertinent dates – start of Spring semester, if spots might open up during the year; New Year Kick-Off Meeting, if spots don't open up.

Accepting Members for a New Year

On April 1 the Recruiter sends an email to current members, asking them whether or not each plans to return the following year. Members have until May 1 to make a decision. All returning members secure their spot with a \$100 tuition deposit that is due to Treasurer May 1. Once the number of available spots is known, the Recruiter begins calling those on the Wait List until all 15 spots are filled. A family has 48 hours to respond, otherwise, the next family on the list is called.

For those who are interested, the Recruiter...

- tells them the date of the New Year Kick-Off Meeting (mandatory, informative, no kids)
- tells them the date of the June Potluck (not mandatory, but nice)
- lets them know that they would be asked to come back to Co-op for a training day with Membership before the end of the Co-op year in June.
- adds their information to the Google documents.

Accepting New Members Mid-Year

If a member leaves in mid-year, the Recruiter first communicates that to the group before contacting any families on the Wait List. There may be another current member who would prefer to switch to the now-open workday or Co-op job or change their child's drop-off days to the now vacant drop-off slots. Check-in with Webmaster before offering spots to all members to see if there are any members who had communicated to Webmaster about making a schedule change.

Members should be given a (short) chance to request such a change. Also, the departing member may have previously arranged some swap days, and those may need to be reverted or dealt with in some other fashion.

Once these internal questions have been answered, the Recruiter can then contact the families on the Waiting List with the exact information about the slot which is open – what workday, what job, what caveats, if any. (NOTE: The Recruiter is expected to be able to find a replacement member within six weeks. If those six weeks lapse before a replacement is found, the Recruiter is responsible for ensuring that all of the departing member's shifts are covered (recruiting other volunteers if necessary) until that member is replaced by a new member. See the Policy and Procedures document for additional detail.). Once the Recruiter finds a new member, the Recruiter notifies the group of the new member's information and start date (so that all members can update their cell phones) and updates the Contact List. The Webmaster will update the Google Calendar. Membership now takes over working with the new member.

The Recruiter maintains the following documents and information:

Document		In Google Group
None		
Schedule		
July	<ul style="list-style-type: none"> ● Check the Co-op email 	
August	<ul style="list-style-type: none"> ● Check the Co-op email

	want to leave mid-semester. Otherwise, they would face tuition		
	forfeit rather than reimbursement.		
	• Call any families needed to fill Spring semester spots.		
April	• On April 1 ask members to sign up for New Year by May 1.		
May	• Call families needed to fill the 15 spots for next Fall semester as soon as possible.		
June	•		

BOARD - TREASURER

Tenure: July – June

Summer Coverage Needed? YES

Returning Member Needed? No

Approximate Hours per Week: 2-4

Treasurer – Collects tuition and other revenue, pays the bills and rent, and signs the lease with the President. Tracks the yearly budget as well as creates future projections as appropriate. At the Fall General Meeting, presents the year's budget to members. Mid-year, works with the rest of the Board to report on actual revenues/expenses versus the budget. At the end of the school year, works with the President to create the next year's budget.

The Treasurer keeps all of Co-op's financial records and takes care of Co-op's bill-paying and other mail.

Treasurer shall reimburse purchases that have been submitted in the form of a completed reimbursement form (located on the google drive) with attached receipts within a week of receipt.

At the treasurer's discretion, large purchases can be made with the co-op's debit card. Please see the debit card policy (google drive) for further guidelines.

Co-op's fiscal year begins July 1; Co-op's fiscal year ends June 30.

The Treasurer:

- Takes ownership of the current year's budget from the prior year's Treasurer on July 1.
- Presents the budget to all members at the October General Meeting.
- Picks up relevant Treasurer mail delivered by Church of the Nazarene (Co-op "mailbox" located in "mail" envelop on bulletin board above coat hooks), even during the summer.
- Collects the appropriate fees and tuition from each member (if a member joins mid-year, the tuition is pro-rated per the Fees and Fee Schedule document).
- Calculates and sends refunds due when appropriate (when a member leaves, wait until all shifts needing coverage are accounted for before calculating the tuition refund).
- Reimburses members for Co-op-related expenses.
- Coordinates with President and Cleaning Coordinator (both of whom take attendance at General Meetings and Cleaning Nights) to ensure that attendance records in Member Administration are updated after every General Meeting and

Cleaning Night. These records will be the basis for making Meeting Deposit refunds at the end of the year.

- At the last Cleaning Night, returns Meeting Deposits to all members minus any fees that members incurred (missed meetings, late pick-ups, late toy bin return) if they have returned all toy bins taken home for cleaning. If bins are not returned by final cleaning night, deposits may be held till they are returned.
- Pays the yearly insurance policy premium.

Treasurer maintains the following documents:

Document	File location
Fees and Fee Schedule	Files / Documents
Co-op's Annual Budget, with Year-To-Date Totals	Google.doc
A complete, per-transaction record of money paid out by and received by Co-op	Google.doc
Bank account information (location, account #, contact information)	Files/Treasurer
Lease information (landlord contact information, address, rent due dates and amounts)	Files/Treasurer

Co-op's insurance policy (due dates, amounts, policy details)	Files/Treasurer
Co-op's Tax ID and legal address	Files/Treasurer
Co-op's on-line banking information	

Members' Status re: fees, tuition, and meeting attendance	Database/Member
	Administration

The Treasurer co-signs with the President on all expense checks greater than \$100. The treasurer makes a simplified version of the budget accessible to the entire membership. The Treasurer and the President work together to create the next fiscal year's budget. The Board needs to approve the budget before the June Kick-Off Meeting.

Schedule

July	<ul style="list-style-type: none"> • Fiscal year begins.
	<ul style="list-style-type: none"> • Pay rent over the summer.
August	<ul style="list-style-type: none"> • Collect full tuition for the Fall semester at the August General Meeting or earlier.
September	<ul style="list-style-type: none"> •
October	<ul style="list-style-type: none"> • Present budget to members at General Meeting
November	<ul style="list-style-type: none"> •
December	<ul style="list-style-type: none"> •
January	<ul style="list-style-type: none"> • Collect full tuition for the Spring semester by January Cleaning night.
	<ul style="list-style-type: none"> • Review current expenses at January Board Meeting.
February	<ul style="list-style-type: none"> •
March	<ul style="list-style-type: none"> • Begin creating next year's budget.
April	<ul style="list-style-type: none"> • Collect Tuition Deposit for next year by May 1
May	<ul style="list-style-type: none"> •
June	<ul style="list-style-type: none"> • Finalize budget with Board before end of school year.
	<ul style="list-style-type: none"> • Return all Meeting Deposits at June Cleaning Night.
	<ul style="list-style-type: none"> • Transfer Treasurer business from prior Treasurer to new (review files, go to the bank with President).

- Fiscal year ends June 30.

BOARD – VICE-PRESIDENT

Tenure: July – June

Summer Coverage Needed? YES

Returning Member Needed? No

Approximate Hours per Week: 1-4

Vice President – Schedules and maintains Weekly Schedule. Maintains lists in the Database. Maintains, updates, and revises Job Descriptions document. Help all members understand their job responsibilities and stay on track with completing their job responsibilities throughout the year. Updates and conducts Job Survey. Assigns jobs for next year. Does exit interviews.

The Vice-President is responsible for creating the Weekly Schedule (Caregiver work day and drop-off days) for the new year. The Vice-President works with Webmaster in June and over the summer to create this schedule, but Webmaster inputs the schedule into the calendar. The Vice-President works with Membership and Recruiter to schedule members who join mid-year or during the Spring semester. The Vice-President also works with individual members who need to schedule Maternity Leave, Medical Leave, or a Leave of Absence.

When creating the Weekly Schedule for Caregiver workdays and for drop-off days, the Vice-President follows these guidelines:

- Schedule Board members' workdays first, making sure there is one Board member per day.
- Then, schedule workdays for people with accompanying infants, making sure there is only one per day.
- Then, schedule workdays for the rest of the membership.
- Assign drop-off days for the Board members' children.
- Assign drop-off days for the rest of the members, ensuring that all days have as equal a number of children as possible (infants and other accompanying siblings count as 1, too).

The Vice-President is responsible for ensuring that the Contact Information list and the the Age List are current and up to date (Membership is responsible for making edits to these lists).

Document	In Google Drive
Member List	Member Administration
Age List	Member Administration
Jobs List	Member Administration and Jobs

Weekly Schedule – keep as even a number of children as possible across days.	Schedules
--	-----------

The Vice-President maintains the Job Descriptions document. This document is stored in the drive under Member Administration. The Vice-President can do a mid-year review at the February General Meeting, asking members if they feel their job is too time consuming, just right, or very easy. Adjustments could be made at the mid-year mark as necessary. The Vice-President works with the Board in the Spring to make any necessary changes in jobs or job descriptions for the upcoming year. In May, the Vice-President asks current members to review their job descriptions and to suggest any additions, deletions, or revisions. The Vice-President works to have an updated Job Description document ready for the New Year Kick-Off Meeting in June.

Using the Jobs Timeline, the Vice-President works with members to ensure that they understand their job description and are completing all job tasks in a timely fashion.

The Vice-President maintains the Jobs Survey, updating it prior to sending it to members in May. The Vice-President works with President to assign jobs to members for the next year based on the survey. Job assignments are made prior to the New Year’s Kick-Off Meeting.

WEBMASTER

Tenure: July - June

Summer Coverage Needed? Yes

Returning Member Needed? No

Approximate Hours per Week: 0-2

Webmaster – Invites new members into Google Group, Google Calendar, and Google Drive. Maintains Co-op website and Google Calendar (assisting members with updating the Calendar if needed). Creates, inputs, and maintains Weekly Schedule, including all swaps, shadowing, tours/visits, weekly themes, special events, meetings, cleaning nights, and other important dates for co-op. Updates and conducts Job Survey. Responsible for quality controlling documents on the Google Drive (consistent fonts, logical layout, etc.) and updating, in conjunction with Co-President, the core membership handbook documents. Ensures departing members transfer ownership of any pertinent files.

Google Group Site:

Kids' Co-op uses a Google Group site, <https://groups.google.com/forum/#!forum/kidscooperativecambridge>, in order to provide a central email list for all members as well as to use its Calendar and other handy functions.

The Webmaster is responsible for...

- Invite all co-op members to join the Google Group. Remove families no longer involved with co-op. (All full members must be “moderator” status in order to have full access to editing documents.).
- assisting members with any technical difficulties they may have using the google Group.
- advocating members' use of the Google Drive to keep all Co-op-related information stored on it (rather than on members' personal hard drives or paper), in google documents format.
- Ensuring members change the owner of any files they create on the google drive to “info@kidscoopcambridge.com”

Scheduling the Calendar:

Invite all co-op members to join the Google Calendar. Remove families no longer involved with co-op. Be sure to set the permissions to VIEW ONLY for all members except Board Members, Webmaster, and Recruiter.

- Once the calendar for the year has been approved at the Kick-Off Meeting in June, the Webmaster adds all holidays, events, General Meetings, and Cleaning Nights into the Google Group Calendar.
- Webmaster adds reminders to all meetings and cleaning nights that are schedule through the google calendar remind function. These reminders should be a week in advance of the event, and also the day before the event.
- Curriculum I and II set the dates for each Curriculum Theme during the year. Coordinate with Curriculum I and II for themes. The Webmaster adds these themes to the Google Group Calendar as if they are Sunday events, making sure there are no reminders for those events.

- Once the Weekly Schedule for Caregiver shifts has been determined, Webmaster creates these as repeating events, making sure there are no reminders. Set these to last from the beginning to the end of the school year, repeating every 3 weeks, and then delete “this date only” from all days on which Co-op is closed.
- Throughout the school year, dates of events may be tweaked and Caregiver shifts swapped. Webmaster is responsible either for inputting the changes as requested by various members, assisting the members as needed, and/or correcting troubles that may occur after members do it themselves (i.e., instead of making a change to “this date only,” they might delete an entire series). **If members ask the Webmaster to input a swap for them, send an email to both involved members confirming that the change has been made.**

Maintaining Documents:

- Invite all co-op members to join the Google Drive. Remove families no longer involved with co-op.
- Open the document on google drive and make a copy with draft in the title. Make your edits, and send to the board for approval if necessary. Once finished delete the old document and rename the draft to the normal title, plus with the year/month that it is published.
- Save a .pdf version as well.
- Change the owner of the document to “info@kidscoopcambridge.com”
- Ensure both the google documents version and the pdf are in the appropriate folder on the drive, with the proper permissions.
- Send an email to the group with a link to the new file. Update the KCC website where appropriate with the updated PDF files.

Website:

For the website, the Webmaster...

- maintains the address www.kidsCo-opcambridge.com (requires credit card).

- uses standards-based formats (no Flash).
- updates the web page content as appropriate (Home Page, Apply Page, and the documents shared with the public (Policies, Typical Day, etc.). Content will be provided throughout the year by various others, such as PR/Marketing, Membership, and President.
- advertises upcoming events and then removes the advertisement after the event
- ensures that email inquiries reach the proper Co-op member(s) by using Pair.com to update the email addresses associated with info@kidsCoopcambridge.com and/or recruiter@kidsCoopcambridge.com.

Weekly Schedule:

The Webmaster is responsible for inputting the Weekly Schedule (Caregiver work day and drop-off days) into the Google Calendar. The Webmaster works with Membership and Recruiter to schedule members who join mid-year or during the Spring semester. The Webmaster also works with individual members who need to schedule Maternity Leave, Medical Leave, or a Leave of Absence.

Schedule
